

## Dominic Michael Leahy RIP 1936 to 2022

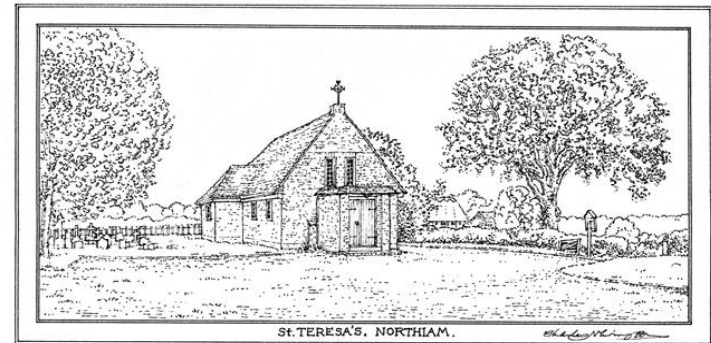

Many of us know and remember with much fondness Dominic who attended St. Teresa's from the mid-1990s with his wife Margot. Their attendance began when they started bringing 2 elderly neighbours who could no longer drive to Mass each week. They were always busy and involved with the life of St. Teresa's and came to Sunday Mass most weeks until sadly covid and then Dominic's failing health made this no longer possible.

Dominic died peacefully with his family all around him at the Laurels Nursing home in Hastings where he had been for a few weeks, recovering from a fall and short stay in hospital.

Dominic and Margot came to East Sussex a few years before Dominic retired from his role as Director of PR and Marketing for the law firm Freshfields (as it was then known). They lived in Winchelsea for 15 years until moving about a mile away to their home on the hill looking across to Winchelsea and the sea beyond. Dominic and Margot were well known in Winchelsea and made a significant contribution to the life of the community there. In particular Dominic managed to secure a sizeable grant to preserve and renovate the New Hall, as well as masterminding the setting up and running of the ever popular cellar tours.

Dominic had five children and nine grandchildren and was a very much loved father and grandfather to all. He will be much missed by all who knew him. Margot will be coming to St. Teresa's as often as she can and all the family want to thank the kind parishioners for their thoughtful cards and expressions of loving support.
