- **Battle Foodbank Summer Project:** We are so appreciative of the support that our local churches offer to us, and as such, we want to continue to support those most in need in your communities, too. For the last couple of years, our Summer Picnic Project has been a great success. We provide food parcels to any local family that needs us, and alongside that, we provide a picnic provisions bag, full of enjoyable snacks, sandwich items, juice cartons, and some fun summer toys and sunscreen to ensure the kids can stay safe in the sun. Funding allowing, we also hope to provide a small grocery voucher to those using the foodbank and receiving a picnic parcel, so they can buy fresh foods to go with their picnic. If anyone can donate money online, every £1 that you give will be doubled as we have match-funding from local company Penn Elcom, who are very generously sponsoring this up to £2500.

Here is the link to give online - <https://www.crowdfunder.co.uk/p/bexhill-battle-foodbank-summer-picnic-project-1>

Our hope is to reach the target of at least £2500, which would become £5000 with the match-funding. That will allow us to be generous to around 100 families over the summer holiday period in Bexhill, Battle and our surrounding Rother

villages (we do not supply St Leonards, Hastings or Eastbourne areas).

If people are unable to give money, maybe they could donate an item or two next time they are in a shop. Or they could join up with others at work or in a social group to collect a bag full, and we can arrange to collect it.

This is open to anyone if they are struggling and cannot buy enough good-quality food to feed their family.

With Blessings, Michelle and all the team

LATEST DEANERY UPDATE:

As the new larger parishes come into being across the Diocese, clergy are encouraged to embrace opportunities for delegation, including developing the skills and gifts of lay staff and volunteers to enable the clergy to focus on their primary mission and achieve balance in their life and ministry. This will also engage and empower laity into new roles and ministries. The new parishes will make decisions collectively. The key will be working in synodality. This emphasises relationships, collaboration and listening to the voices of all. To enable our clergy to lead, and for communities and parishioners to feel connected and involved, there will need to be some new structures, roles, teams, and communication channels. *Diocesan Pastoral Team*
